About Prayas Gramin Vikas Samiti

PRAYAS is a non-political, non-religious social organization. It is striving hard to achieve the rights after creating awareness among Dalit, backward and depressed class. It is gird up with confidence for social development and changes along with national sensation. Deep access has been the motto of our organization and socio-economic development is occurring very rapidly. Hence owning the combined efforts of the fraternity and cautious, it has established its recognition among administration and government.

It is well established social action NGO at Phulwarisharif in Patna District of Bihar. PRAYAS is registered under the society act 21, 1860. The organization started to work in the villages in 1982. Some young friends who had been together throughout the “Sampurn Kranti Andolan” are Jay Prakash Narayan from 1947 to 1977. Some French volunteer’s encouraged the local youth to join for social action. They guided the young men to form a society for social actions.

Prayas is also serving in those areas of Bihar, which are indeed socially and economically backward. Poverty and backwardness is deep rooted in Bihar, caste structure plays a major role but Bihar has witnessed every agitation and revolutions. At present feudal malice and political crimes of various private arms organizations has lead cold blooded war.

PRAYAS has extensively worked with Dalits, Musahars, women, children and deprived sections of our society. Prayas is committed to work for social change through awareness and capacity building for social actions and economic empowerment of these sections. It has helped people to organize themselves to seek rights and justice through non-violent actions and protest through this process. They have been realized and aware of many of their flaws from time to time by Prayas through organizing social activity.

Geographical area (Red point is our Geographical area in the MAP)

Beneficiary

Dalits, Muslims, Women, Informal Sector Labour, Students, Disable, Other backward class

Donors

- **SWADHIKAR**
 - 1) EU : - Higher education and Economical development

- **Church's Auxiliary for Social Action**
 - 1) Strengthening of marginalized community.

- **CARITAS INDIA**
 - 1) SUPOSHAN

Projects

- ❖ **EC- PIEs: - Empowerment for better livelihoods, including skills development and vocational education and training, for marginalized and vulnerable persons and people dependent on the informal economy**

This will be achieved through the three integrated strands of the action's intervention strategy. The first strand will increase awareness of socio-economic rights and entitlements to decent work and mobilize people dependent on the informal economy to claim those rights; the second will enable young men and women to gain life skills and vocational skills, improve their access to decent work opportunities and increase incomes. The third strand is aimed at developing an understanding of the context, the history and practice of policies related to people working in the informal sector both within India and internationally in order to better frame, analyze, monitor and implement them.

- ❖ **EC- EIDHR: - Securing the rights of minorities and people affected by caste-based discrimination in India**

To enhance access to justice and basic services for minorities and people affected by caste-based discrimination in four states of India through advocacy, capacity building and community-led monitoring of laws and policies.

Leadership trainings for Human Rights Defenders, Leadership training module, and database to tracks atrocities ,Compilation of case studies on atrocities against Muslims-Consultancy, Increased access to justice for Dalits, DNTs and Muslims through community-led monitoring of and advocacy for implementation of laws, schemes and policies., Victim support for rehabilitation, Annual campaign and advocacy activities, Muslim, Dalit and DNT

Human Rights Defenders (HRDs) have enhanced capacity to defend their rights and have organic linkages with Government and administrative machinery.

❖ **SWADHIKAR EU: - Higher education and Economical development**

Cap citation of Dalit, Adivasi and Women CSOs for Sustainable Development and Promotion of Diversity and Social Inclusion in India.

PRI, CBOs and Students Meeting, State level engagement & advocacy with Universities in states for mechanisms to expand the access to resources and facilities for higher education, support to the victims and witnesses in accessing Penal and Pecuniary Justice, Engage with the State and National Level Human Rights Commissions, and State and District level Vigilance and Monitoring Committees set up under SC/ST PoA Act, 1989.

❖ **Church's Auxiliary for Social Action (CASA):- Strengthening of marginalized community for sustainable livelihood through rights & entitlements**

Disadvantaged population groups in Bihar have knowledge of and access to government programs and their rights to contribute to a just and peaceful society where natural resources are used and good governance is practiced

Community Based organizations have been formed and organized in different nature such as issue based groups, youth and women groups. These groups will be capacitated through regular awareness programmers', orientation, capacity and skill building programmers' and trainings. Community leaders from the reference community mentioned above will be supported and promoted to strengthen civil society actions in the state. The target community has access to resources to secure their livelihood. Community organizations carry out collective actions to implement local government programs.

❖ **CARITAS INDIA:- Enhanced Food and Nutrition Security of Musahar Communities by strengthening household level food and nutrition sufficiency and functionalizing Public Health and Nutrition Systems.**

The program therefore will relate to four main concerns viz (i) Strengthening/Creating household-level food production and livelihood systems, (ii) Increasing representation in local governance and good governance systems (iii) Functionalizing Public Systems and (v) Improved standards of Water and Sanitation and Hygiene. As per the strategy (given above as a diagram), malnutrition and hunger will be addressed with a multi-pronged strategy which will seek to create household-level food sufficiency and creating participatory governance which in turn will ensure public systems function well.

Program Performed

EC- PIES:- Securing rights and sustainable livelihoods through collective action and education for people dependent on the informal economy in India.

Executive summary of the Action

The project is Empowerment for better livelihoods, including skills development and vocational education and training, for marginalized and vulnerable persons and people dependent on the informal economy. Supported by European Commission and ActionAid Association has been implemented by Prayas Gramin Vikas Samiti (PGVS), Patna. The PGVS are working this project areas in the 30 villages of the Amas Block in Gaya District of Bihar on Agriculture Labour, Sharecroppers, and Marginal Farmer and they are mostly belongs to Dalit Community. The distance of Amas block to District Gaya is approx 70 KM and State Capital is approx 180 KM. from Amas. The PGVS working with total 24021 populations, (13486 male and 10535 female) in Dalit Community in Amas, Gaya.

Case Study

1. Case Study on Kishori Samiti and Malnutrition Village- Murli Bharna ward No.-8 Sada Tola

Introduction- Babita Kumari, Age- 10 years, Mothre's Name- Sanju Kumari, No of Family Members.- 7 Village- Murli Bharna ward No.-8, Panchayat- Murli Vasantpur, Block- Kahra, PO- Vangawn, Dist.- Saharsa is Project Area. Total 34 houses hold Population of this village under suposhan project for free malnutrition affected. Project Area Details- the Area situated is east side canal, west side sundarvan, north side Mahidagra and north side bada.

History- in this village has lack of education, cleanliness, land for living, all are landless especially Babita Kumari's Parents have also not received Land Pacha till date. Their parents are agriculture labour and worked in another Farm for their family livelihood. 90% Male persons migrant for livelihood from this village. Male and Female work together then arrange their Pabulum otherwise they will not work one day then they survive for fasting. This girl was ill and under treatment so the PGVS team work on them under Suposhan Project with the help of Caritas India since Feb. 2018 in this village. In this village has formed C.B.O. and 3 Committee like Mother Committee, Adolescent Committee and Community Development Committee after we discuss on malnutrition through committee also we discuss on Health & Hygiene, Nutrition and cleanliness. Babita's family also present in the meeting and the PGVS support to their treatment in the Hospital after checkup find TV and Doctor suggest them Medicine, Fish, Egg and Mutton or other nutrition Meal .

Present Status – Babita Kumari now well and under treatment of Doctor and they follow of Doctor prescription or they free after 3-4 month from TV.

2. Case Study Community Development Committee

Village- Bauaha Ward No.- 7, Panchayat- Mohanpur

Previous Status

Living Standard- Their living standard not good and other community do not touch them because they wear dirty cloth, live in dirty as well as their home also dirty which is also effect in health. Educational Status- Educational Status is poor because their parents not send at school, Anganwadi for education. Only Sri Dinesh Sada s/o Rambahadur Sada and Budhani Devi is complete 10th standard. Assessed of govt. scheme- One kattha land pacha distributed in 8 persons before 50 years now till date 24 family are surviving on that land. Indiraawas distributed by mukhiya ji in 1995-96 and also constructed by them but the construction materials like 16 bag sand and 1 bag cement mixture which is very poor mixture so after some time directly destroy automatically in the night and winter season at 9 Pm. Khushilal Sada and Rambahadur Sada were help through admitted in hospital them or all family with the help of villagers. We support them through collect some money and we also supported by Vidhayak for money support for 20 years and one hand pump.

Present Status- When interferes or supported by PGVS then Villagers attentively keep on cleanliness because of motivated or given training by PGVS or Animator and also formation of Village Development Committee, Mother Committee and Adolescent Committee for pass the information in committee. The PGVS gave training of this committee on Malnutrition, Education, Health and PRI work time to time continuously since one year and we follow them. Now the community are developing with the help of project related meeting and training. PRI members also support and short out of villagers issues and give information regarding Village development and we also participant in Gram Sabha. Anganwadi centre- we consult to ANM and assessed of women related scheme like enrollment in Anganwadi- Babita Devi, Lali Devi, Bechan Sada PDS assessed- Dhatri Mother- Madni Devi, Jordhari Sada, Rinku Devi, Lakhindra Sada, enrollment in School- Chhoti Kumari, Aman Kumar, Rupesh Kumar, Rupam Kumari, Old Age Pension- application applied of Rambadur Sada s/o Rajo Sada which is under process.

3. Case study of Mother Committee

Village- Chainpur, Panchayat- Chainpur, Block- Kahra, Dist.- Saharsa

Total 29 family house hold population of this village, Land location- North side padi, south side Balhi, East side Kahra and west side Gheghra situated. Before 2015 saw that each hose holder suffering from domestic violence, their children also live in dirty or careless and their nutrition or living standard are very poor. There had ownership status in upper cast and also not support to social activist, they believed in blind faith. 22 persons assessed land pacha in 2017 but they should not ownership. The PGVS implement or after supported by suposhan project and attend meeting training, they should developed yourself. They aware and fight for their right, now they done land mapping and made mud house and living there which is successes story. The children also live in clean way or developed through community from previous bad habit. Now they went to any work at Block and PRI for support, they also participant in Gram Sabha for Village development. Women also participant in Gram Sabha with huge population

Major learning's

The all project has a Rights Based Approach and focuses on enhancing the understanding of all project staffs, volunteers and leaders of DAM for inclusion of Dalits in Social, Economic Spheres of Society. Besides, the project is taking efforts to create an organized structure of DAM from village to state level by formation of Committees of DAM at villages, Panchayats, Blocks, Districts and State levels.

Challenges

The project is being implemented in a state where the overall governance is very poor. Lack of political willingness and de-politicization of issues have further made the situation challenging.
